

# Montana Law Enforcement Torch Run® (LETR) Ambassador Program

## Athlete Ambassador Nomination Form

---

Thank you for your interest in nominating a Special Olympics Montana athlete to represent their peers in a leadership role with the Montana Law Enforcement Torch Run® (LETR). The LETR Ambassador Program fosters unity, inclusion, and growth, with each Ambassador playing a vital role in building connections between athletes and law enforcement while advancing LETR's mission.

To be considered for this honored role, athletes must have actively participated in Special Olympics for at least five years and be nominated by their area, team, coach, mentor, Local Program Coordinator (LPC), family member, and/or a member of law enforcement. This commitment involves meaningful responsibilities, so we encourage you to review the **LETR Ambassador Handbook** to fully understand the program's requirements, expectations, and support available to our LETR Athlete Ambassadors.

The handbook also provides insight into the impact athletes will have and the goals they'll work toward during their three-year term. Complete the following questions to give us an in-depth understanding of why this athlete would excel as an LETR Ambassador and attach any supporting documents that showcase the nominee's contributions and accomplishments.

Please submit all nomination materials by **January 15, 2026**. For questions, feel free to contact Melissa Nichols at (406) 590-9496.

Thank you for helping us recognize and support dedicated athletes ready to embrace this inspiring role! Your nomination is key in identifying athletes who embody the values of leadership, dedication, and enthusiasm for LETR.
